## **Application Instructions**

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

**A.** You are requested to fill out this box. The Department of Justice requests this data in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI=American Indian or Alaskan native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.

- **B.** Your Driver's License number should be listed if available.
- **C.** If you are using the FPCA to register and you have never voted, write "I have never voted" in the open spaces along the line of Item 2. If you are using the FPCA to register and you have previously voted, provide complete information on where you last registered and voted.
- **D.** Provide the complete street address of your Florida voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway \_\_\_\_\_\_, 2 miles past Highway \_\_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- **E.** Print the complete address where you want your ballot sent usually your current mailing address. It must be different from the address you provided in Item 3.
- **F.** If you wish to register to vote in a partisan primary election, you must be a registered voter in the party for which the primary is being

held. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or "none" in Item 6 of the FPCA. However, if all candidates for an office have the same party affiliation and the winner will have no opposition in the general election, all qualified electors, regardless of party affiliation, may vote in the primary elections for that office. All registered voters, regardless of party affiliation can vote on issues and non-partisan candidates. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party affiliation to the local election official no later than 29 days before the election.

**G.** Check ONE box.

**H.** If you are using the FPCA to register, read the following oath before signing, "I do solemnly swear (or affirm) that I will protect and defend the Constitution of the U.S. and the Constitution of the State of Florida, and that I am qualified to register as an elector under the Constitution and laws of the State of Florida and that I am a citizen of the U.S. and a legal resident of Florida.". Art. VI, s. 3, Fla. Const., s. 97.051 and 104.011 Fla. Stat. If you are already registered, the FPCA must be signed and dated for it to be processed by the local election official.

## I. UNIFORMED SERVICES

#### A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Florida and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

#### B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year (for local, state and Federal offices).

(1) To register and request an absentee ballot, send a completed FPCA to the local supervisor of elections so that it arrives not later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence to the supervisor of elections so that it arrives not later than the Friday before the election. Alternatively, you may request ballots for the primary and general elections from the county supervisor by telephone, or designate someone to pick up your ballot as provided in Section E below.

(2) Return your voted ballot so that it arrives by the close of polls on election day. If you are voting from outside the U.S., the Federal portion of your ballot will be counted if it is postmarked or dated not later than the day of the election and received up to 10 days after the general election or presidential primary.

If you reside in the U.S., local election officials will mail you your ballot as soon as the ballots are available.

If you reside outside the U.S., local election officials will mail your absentee ballot to you approximately 35 days before a primary election. They also will mail out an advance ballot 45 days before the run-off and general elections. Regular absentee ballots for the run-off and general elections are sent out as soon as they are available. Always vote and return each ballot regardless of when you receive it.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instruction in Chapter 2, page 12.

### C. Oath/Witness Requirements

If you have never registered to vote in the Florida county where you wish to register or if you had been registered but failed to re-register, you must read the oath under Application Instructions, Item H before signing.

When returning a voted ballot, the certificate on the return envelope must be witnessed by one person over the age of 18. The name and address of the witness are required on the certificate.

# D. Electronic Transmission of FPCAs and Ballots

Florida does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

### E. Application For Ballot By Proxy

If you are currently registered, you may designate someone to pick up an absentee ballot for you. This authorization must be in writing and the person you designate to pick up your ballot must present the authorization in person to the supervisor of elections. The person you designate may not be a candidate, unless you are a member of that candidate's immediate family.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

## II. CIVILIANS OUTSIDE U.S.

#### A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Florida and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Florida.

- Florida residents temporarily absent from their county (for local, state and Federal office ballots)
- overseas citizens (for Federal office ballots only)

#### B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year.

(1) To register and request an absentee ballot, send a completed FPCA to the local supervisor of elections so that it arrives not later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence to the supervisor of elections so that it arrives not later than the Friday before the election. Alternatively, you may request ballots for the primary and general elections from the county supervisor by telephone, or designate someone to pick up your ballot as provided in Section E below.

(2) Return your voted ballot so that it arrives by the close of polls on election day. The Federal portion of your ballot will be counted if it is postmarked or dated not later than the day of the election and received up to 10 days after the general election or presidential primary.

Local election officials will mail your absentee ballot to you approximately 35 days before a primary election. They also will mail out an advance ballot 45 days before the run-off and general elections. Regular absentee ballots for the run-off and general elections are sent out as soon as they are available. Always vote and return each ballot regardless of when you receive it.

If you have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

#### C. Oath/Witness Requirements

If you have never registered to vote in the Florida county where you wish to register or if you had been registered but failed to re-register, you must read the oath under Application Instructions, Item H before signing.

When returning a voted ballot, the certificate on the return envelope must be witnessed by one person over the age of 18. The name and address of the witness are required on the certificate.

#### D. Electronic Transmission of FPCAs and Ballots

Florida does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee

#### E. Application For Ballot By Proxy

If you are currently registered, you may designate someone to pick up an absentee ballot for you. This authorization must be in writing and the person you designate to pick up your ballot must present the authorization in person to the supervisor of elections. The person you designate must also present a picture identification and sign an affidavit. The person you designate may not be a candidate, unless you are a member of that candidate's immediate family.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

## **III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.**

## A. In-Person Voting

You may vote in-person even after requesting an absentee ballot. You must hand in the unvoted absentee ballot or swear that it was not voted.

## B. Bars to Registration and Voting

Persons convicted of a felony and whose civil rights have not been restored or persons adjudicated as mentally incapacitated with respect to voting and who have not had their right to vote restored may not register or vote.

### C. Cancellation of Registration

Periodically, supervisors of elections will send address confirmation final notices to voters where the post office has indicated that these voters have moved outside the supervisor's county or left no forwarding address. All voters who have been mailed an address confirmation final notice and who do not return the form within 30 days will be placed on the inactive voter registration list. Voters on the inactive list can be reinstated by updating their voter registration, appearing to vote, or requesting an absentee ballot. However, after two general elections for Federal office from the date the final notice was sent, all inactive voters who show no activity will be removed from the registration records and must register to regain their voting privilege.

#### D. Action on Registration Requests

Registered voters are sent an identification card.

#### E. Action If Registration Is Denied

Persons denied registration should consult a legal assistance officer or civilian counsel.
